

## Questionnaire Form

The purpose of the form is to collect information on companies operating in the State of Arizona who process, buy, or manufacture forest products. Information collected from the form will be put into a comprehensive directory and made available to the public. It is the hope that the directory will facilitate consumers and producers connecting with each other. If you have any questions, contact Patrick Rappold, Wood Utilization and Marketing Specialist, by Phone 928-774-1425, Fax 928-779-2143 or E-mail patrickrappold@azsf.gov. Information collected by this questionnaire will be used for official Arizona State Forestry Division purposes only and will not be redistributed for commercial purposes.
