Arizona Wildland-Urban Interface & Firewise Summit

Living with Wildfire in Arizona

APRIL 1-2, 2016

Radisson Hotel Phoenix North

10220 N Metro Pkwy E, Phoenix, AZ 85051

There is no registration cost to the Summit!

Registration is open!

Go to <http://bit.ly/1WyratQ> to register.

This 2-day summit will equip the homeowner as well as fire departments and wildland firefighters with information and actions they can take to reduce loss and increase safety in their community. Topics include fire ecology, hazard fuel reduction grants, insurance issues, risk assessments, Fire Adapted Communities, Ready, Set, Go!, Firewise principles, emergency management, forest health, and various programs to help the homeowner and community prepare for wildland fire.

Representatives from numerous private, city, county, state, and federal agencies will be present, including Arizona State Forestry, Bureau of Land Management, US Forest Service, Arizona Prescribed Fire Council, Southwest Fire Science Consortium, APS, SRP, Arizona Nursery Association, Arizona State Fire Marshal, and National Fire Protection Association, among others.

For more information, go to

www.azsf.gov/newsroom/current-events

or contact an Arizona State Forestry staff member.
